## SCHOOL BILL ADVANCED BY SENATE

TEXAS SENATE VOTES  
AT 2 A. M. WEDNESDAY

The Gilmer-Akin Report bill by Senator Taylor of Kerns was advanced to third and final reading in the Texas Senate at 2 a. m. Wednesday after an all night filibuster by Senator Kelley of Edinburg.

The contested proposed legislation consumed the entire time of the Senate beginning at the opening session Tuesday and far into the night. While the bill won a majority vote and passage to third and final reading, both sides claimed victory.

The bill would make sweeping changes in the public school system of Texas, mainly bring on concentration of school facilities, abolish the office of County Superintendent and set up Boards of Education, one for the state. The bill would also make the State Superintendent an appointive position.

Since the bill is largely controversial and has possibilities for aiding education, its chances were slight in the Texas Legislature.

Texas, some 13th in public education, is slow to progress and hasty to oppose change.

### L. W. SMITH TO HEAD ROTARY CLUB HERE

L. W. Smith of the Community Public Service Company was elected President of the Cameron Rotary Club by the Board of Directors Monday.

Mr. Smith will take over his duties as Club leader in June. Lester Williams, retiring president, under Rotary law becomes a member of the Board of Directors and is automatically Vice President.

The new directors are: L. W. Smith, Gene Blake, Roger Maddox, Milton Schiller, John Andres, W. T. Hanes, Lester Williams and Lee Lemmons.

Milton Schiller was elected Secretary to succeed Henry Siebman.

District Governor Oliver Harris of Taylor will be guest of the local Club Wednesday at the luncheon hour. He will meet with the Board of Directors at 11 a. m. Mr. Harris is with the Taylor Bedding Manufacturing Company.

### LIVESTOCK AND GRAINS FEATURED IN RECOVERY

Speculators on the stock exchange caused the recent break in agricultural prices, it was claimed Tuesday by Secretary of Agriculture Brannan.

The downward trend has been arrested and there was considerable recovery on Tuesday's trading.

Gains were measured in fractions to around a point, but some losses were scattered here and there.

The volume of trading was estimated at the unimpressive total of 700,000 shares for the full session. On Friday the total was 880,000 shares.

From the starting bell, the market moved up slowly during the morning, but late in the day mild selling chipped away small fractions from the highest points.

Steels, motors and rails were the center of trading activity, in that order, although few major groups were neglected. Utilities lagged behind with some of the leaders on the losing side.

A measure of encouragement came from the livestock, grain and commodity markets where price increases predominated. Soybeans were traded up to the daily limit, but cocoa dropped the daily allowable margin.

In Washington the House Appropriations Committee heard Department of Agriculture estimates that \$2,225,000,000 would be used in loans on all commodities during the current fiscal year.

Joe Luce is ill and in Newton Memorial Hospital for treatment.

### Flax Harvested 47 Years Ago On Display Here; Also Old Goblets

Flax harvested 47 years ago in Austria-Hungary by the family of Mrs. Fritz Pfansteil of Sharpe Community, is now on display at The Herald.

Mrs. Pfansteil came to the United States with her parents in 1901 and they brought a quantity of flax from their old home. That was 47 years ago and they settled in the Salem Community.

Mrs. Pfansteil is the daughter of the late Mr. and Mrs. Mueck.

Along with the flax Mrs. Pfansteil brought for display 4 antique glass cups which were given to her by her mother, Mrs. Antonio Mueck.

These cups or tumblers were made in Austria-Hungary and are similar in heat resisting structure to pyrexware in this country. They were made four to a set and the set is complete. They had not been used in 20 years when given to Mrs. Pfansteil by her mother.

Flax is an important crop and from it they made, in the old days, garments, threads and the like and it was sold in much the same manner as American cotton, though not produced in such abundance. Flax thread is the strongest fibre known and is used by saddle and harness makers and shoe manufacturers.

### 3 Fined In County Court Here For Drunk Driving Automobiles

Three persons charged with driving an automobile while intoxicated have been fined in County Court by Judge Dan Tyson on pleas of guilty as follows:

Joe Williams defendant pleaded guilty in open court and his punishment assessed at a fine of \$50.00 and costs of court. License suspended for six months.

Ed Gamey, defendant pleaded guilty in open court and his punishment assessed at a fine of \$75.00 plus cost of court.

G. B. McLean, defendant pleaded guilty in open court and his punishment assessed at a fine of \$50.00 and costs and license suspended for six months.

### FARM LEADERS WILL BE ON PROGRAM THURSDAY

Milam County Farm Bureau, one of the youngest Chapters in Texas Federation, will be host to nationally known farm leaders here Thursday, February 17 in an all day program to observe National Farm Bureau Week.

The Milam county chapter is growing fast and the goal for 1000 members soon will be attained.

J. Walter Hammond, President of the Texas Farm Bureau Federation will be the featured speaker. Colorful coverage of the program and the day's activities will be done by Murray Cox, Radio celebrity who is heard daily over WFAA.

The program will be held at National Hall where a lunch picnic style will be served.

The program includes a wide variety of entertainment features with local talent and a number of clubs and schools having part.

S. W. McClaren is President of the Milam County Chapter and will direct the activities for the day.

Speakers during the afternoon and closing session will be J. Walter Hammond, state president; Marvin Carter, state organizer; Austin Crownover, assistant organizer; Frank Taylor, state vice president, and Harold N. Jordan, Blue Cross and Blue Shield Insurance representative.

### NEW TAGS ARE YELLOW WITH BLACK NUMBERS

The 1949 auto license tags are now on sale at the office of Valter White, Tax Collector.

The new tags are yellow with black numbers and the letters are changed to J-V series. The lowest number allotted to Milam county is 1050 and the highest is above 10,000.

Auto and truck owners can now purchase their license plates for 1949. Vehicles cannot be legally operated after April 1 without license plates.

Auto license plates are manufactured at the Texas Prison System.

The office of the Tax Collector is now ready to issue these plates and you should take your old registration certificate with you or be able to give the clerks all required information for your own convenience in registration. Like all taxes there are thousands to be issued and car owners will do well to go at once and not wait until the last few days.

### MORGAN DICKINSON IS BURIED IN LUBBOCK

Funeral services for Morgan Dickinson, 74, who died Tuesday morning in his East Broadway residence, will be held at 2:30 p. m. today in Rix Funeral home chapel.

Rev. Brown Welch, pastor of Cumberland Presbyterian church, will officiate.

Burial will be in Lubbock cemetery directed by Rix Funeral home.

Born in Georgia, Dickinson came to Texas at an early age. After residing in Burleson and Milam counties, he moved to Lubbock in 1920. He was manager of the Lubbock Oil and Gas company for a number of years.

In 1924 he engaged in the drug business.

Illness caused him to retire in 1944, when his wife took over operation of the business.

Survivors include the widow; two sons, Rush of Pensacola, Fla., and Ray of Long Island, N. Y.; a stepson, W. A. Hensley of 1922 Eighteenth, Lubbock; a grandchild, and three step-grandchildren.

Pall bearers will be W. H. Rodgers, Marshall Jackson, Dan Blair, Richard Douglas, Dwight Henderson and S. A. Hamilton.

Honorary pall bearers will be Neil Wright, sr., Dr. Chas. Fiel, B. F. Hodges, Chas. Miller, Claude Young, Roy F. Rodgers, Louie Moore, H. S. Pearson, Lonnie Montgomery, Wesley Tunnell, Dr. C. J. Wagner, J. A. Hodges, Roscoe Parks, Lewis Kittrell, and Elmer Reed. — Lubbock Avalanche.

### MRS. NANCY WILKERSON DIED HERE LATE SUNDAY

Funeral services for Mrs. Nancy C. Wilkerson, 76, were to be held at 4 p. m. Monday, February 14 from the family residence at Yarellton by Rev. R. L. South with interment in the North Elm Cemetery and the Marak-Burns Funeral Home directing arrangements.

Mrs. Wilkerson died in a local hospital at 4:15 p. m. Sunday, February 13. She had been ill for some time.

Mrs. Wilkerson was a native of Alabama, born on November 6, 1873.

Surviving are two brothers and three sisters as follows: George E. Lake and Virgil Lake of Cameron; Mrs. F. B. Farmer, Cedar Springs, Mrs. C. C. Tubbs, San Angelo and Mrs. R. M. Tubbs of Cameron.

Her husband, also a resident of Yarellton for many years, preceded her in death in 1938.

Mr. and Mrs. C. E. Russell of Yarellton were in Cameron this week.

### POLIO FUND DRIVE IS BRINGING GOOD RESULT

L. W. Smith, finance chairman for the current March of Dimes said Friday that he had banked \$1,977.34 and two of the largest communities outside Cameron are yet to report.

Results of the campaign in Rockdale and Thorndale have not been ascertained since the campaigns there are still in progress.

Roger Maddox, permanent chairman for the Infantile Paralysis Foundation, joined Mr. Smith in an appeal to all business houses where the containers have been placed to return them to the Water Company office.

The campaign has ended and since the dates were not extended it is important that all funds be accounted for.

The funds accounted for to-date are from the city of Cameron and from a number of communities, including Sharpe, Gause and Milano.

As soon as all reports are in Mr. Smith will prepare a list of the communities showing the amounts contributed and every section of the county will be credited with the fine spirit shown in this important drive.

The 1949 canvas has already brought in more than three times as much money as any other year has yielded.

### MRS. O. P. PRITCHARD DIED IN SAN ANTONIO

Mrs. O. P. Pritchard, 72, died in San Antonio Sunday night, February 13.

She had been ill for a long period of time.

Mrs. Pritchard was a native of Milam county, born and reared in the Conoley community and has a number of relatives there. The body was enroute Monday to the Phillips & Luckey undertakers in Rockdale.

Funeral services were to be held at 2 p. m. Tuesday, February 15 at the Pleasant Retreat Church with interment in the Fairview cemetery near Thorndale.

Surviving are six sons as follows: Willie Pritchard and Jack Pritchard of Beaumont, Nolan Pritchard of Alto, Wayland Pritchard of Wichita Falls, Harold Pritchard of Thorndale.

Mrs. Pritchard was a sister of Ed Gunn, county attorney. The Gunn family has been prominent in this county for many years. Friends of Mr. and Mrs. Gunn in Cameron were deeply sorrowful to learn of Mrs. Pritchard's death.

### 12 Young Men Ready For Duty; They Are Eighteen Years Old

Twelve young men who have reached the age of 18 years have registered for the draft in Milam county. The list mailed to this newspaper by Mrs. Ida A. Johns, chief clerk of the draft board is as follows:

Charles Glenn Towery, Rockdale; John David Matula, Cameron; James Walter Burnett, Jones Prairie; Henry Smith, Jr., Rockdale; L. C. Sullivan, Calvert; Gerald Gene Locklin, Thorndale; Harry E. Chollett, Rosebud; Jack Delbert Kyle, Rockdale; Willie Lavan, Milano; James Columbus McQuary, Thorndale; Wesley Bert Henry, Rockdale; and David Thea Hause, Hoyt.

Mr. and Mrs. Ray Hollowell and daughters of Dallas visited in the home of Mr. and Mrs. Cecil Williams last week.

Mrs. Maude Hillyer is visiting her son, Mr. and Mrs. Leroy Hillyer in Dallas a few days this week.

### 20 PER CENT CREDIT IS LOST TO CAMERON

Fire losses in 1948 cost the city of Cameron a credit of 20 per cent which had been earned based on a good record in 1947.

According to information received by The Daily Herald property owners who buy and pay for insurance will have to dig up \$9,775 more in 1949 than they paid for the same amount of coverage in 1948.

They do not refer to this situation as a penalty. They say that your credits are taken away and property owners are reduced to the full key rate charge. That is correct as far as it goes but in the matter of dollars and cents it is a penalty.

The figure used in computing the increase we will have to pay is based on the amount of fire insurance premiums paid in 1947. The figures for 1948 are not as yet available.

High losses during the latter part of 1948 were no doubt responsible for the loss of the good fire record and resulting credit earned in 1947.

### FIFTEEN ENLISTMENTS MADE IN PAST WEEK

With fifteen enlistments made in it in the past few days, and more in prospect, Battery C, 239th Field Artillery Battalion seems well on its way toward reaching full strength, Captain Rudolph Michalka announced this week.

He listed the new Guardsmen as: Priestley R. Tindall, Lenhart E. Mraz, Johnnie T. Barrett, Riley B. Whittington, Virgil C. Wall, Charlie E. Hux, Joseph A. Kennon, Arnold R. Ondreas, Leo L. Porubsky, Louis A. Zavrel, Bert T. Aschenbeck, Wesley M. Braden, Herman E. Hairston, Otis R. Rogers and Wayne E. Tabor.

The group includes both veterans and non-veterans, he said.

"Of course we are glad that Battery C is growing so fast," Capt. Michalka said, "but we still have a number of vacancies in the organization and would like to see them filled as soon as possible."

Anyone interested should contact him at the Cameron Machine Shop during business hours.

### W. T. PEARSON & SONS OPENING NEW STORE

W. T. Pearson & Sons of Rockdale are opening a new store in Cameron Saturday, February 19.

Mr. Pearson announced early Tuesday that the new store would open with a complete line. The company sells furniture and household appliances, including radios and featuring nationally advertised appliances.

The new store will be housed in the Fahrendorf building on North Central Avenue. This building was recently vacated by the Haley Dry Goods Company.

E. L. Rutherford of Rockdale will be manager of the new store.

The W. T. Pearson & Sons store in Rockdale is one of the more popular furniture and home appliance stores in central Texas. Mr. Pearson and sons have been in business in Rockdale for many years, are successful merchants and know how to merchandise.

Believers in newspaper advertising they have built a large annual volume store in their home city and in establishing their branch in Cameron plan a vigorous sales policy. They are large buyers and are strong in retail competitive markets.

Pfc. Albert W. Burnett of San Antonio visited friends and relatives in Cameron over the week end.

### ED. JORECEK DIED IN TEMPLE EARLY TODAY

Ed. Jorecek, 66, farmer residing in the Sandy Ridge Community south of Buckholts, died at 9:30 a. m. Wednesday in a Temple Hospital from a gunshot wound in the head.

Constable E. Horstmann of Buckholts said that Mr. Jorecek was found by his sons around 6:30 a. m. Wednesday in his bed room. Nearby was a 22 rifle. The bullet had entered the forehead and emerged at the back of the head.

An ambulance from the Skinner Bros. funeral home in Rogers took the aged farmer to Temple where he died at 9:30.

Mr. Horstmann said that the two sons of Mr. Jorecek were in the kitchen of the farm house preparing breakfast and were listening to the radio. A few minutes later when they summoned their father to breakfast found him shot through the head.

Mr. Jorecek had been a resident of the Sandy Ridge Community for the past 15 years. His wife died several years ago.

Justice of Peace Will Kuzel of Precinct 6 and Constable Horstmann went to the farm home to investigate. They summoned a Rogers physician. A verdict of suicide was expected to be rendered in the case.

### MARINE CORPS HERO TO BE BURIED THURSDAY

The body of Pfc. Loma T. Judkins, United States Marine Corps, who died from wounds sustained in the fighting on Okinawa, arrived in Cameron at 3:15 a. m. Wednesday, February 16, for reburial.

Funeral services were scheduled for Thursday, February 17 from the Branchville Baptist Church at 2:30 p. m. by Rev. Lee Lemons, Pastor, First Methodist Church, assisted by Rev. L. R. Stephens, Baptist Minister from San Marcos. Interment will be made in the Sneed Chapel Cemetery with The American Legion and Veterans of Foreign Wars Posts giving full military honors.

The body was at the Green Funeral Home for a brief time Wednesday and was taken to the home at Branchville where it will remain until the funeral hour on Thursday. The Green Funeral Home will direct arrangements.

Pfc. Loma T. Judkins died from wounds sustained in the fighting on Okinawa on April 10, 1945. He was born June 24, 1919 at Branchville and was 26 years old when he died in the battle of Okinawa. He was a graduate of Yoe High School, class of 1936.

Enlisting in the United States Marines June 22, 1944 he received his early training at Camp Roberts, Arkansas. His first assignment to active duty was in the South Pacific and was killed on the island of Okinawa in the desperate fighting to bottle up the mainland of Japan.

Surviving are his parents Mr. and Mrs. A. H. Judkins of Branchville; two brothers Albert Judkins, Jr., of Calvert and J. C. Judkins, also of Calvert, one sister Mrs. Alex Groppe of Cameron.

Pallbearers will be Charles Bailey, Chamberlain Harlan, John Arthur Looney, Robert Foster, Jimmy Thewatt, Buck Wilkinson, A. D. Henderson and Curtis McClenny all of Branchville.

### Benard L. Mueck Of Salem Is Pelt Winner In National Fur Show

Bernard L. Mueck of the Salem community is the winner of a daily award for correct handling of a Raccoon pelt in the Twentieth National Fur show conducted by the Raw Fur Marketing Service of Sears, Roebuck & Co.

A carefully handled pelt brought him one of the \$5.00 daily awards being judged one of the three best handled among all pelts received at Sears Raw Fur Marketing Station in Dallas. The pelt is now eligible to consideration for one of the major awards, including the \$2,000 first award, to be selected at the final judging which will be held in April.

The best way to forget the high cost of living is to live so that it's worth it.

## TEMPERATURE MAY DROP 40 DEGREES SUNDAY

A severe cold wave was forecast for East Texas early Saturday.

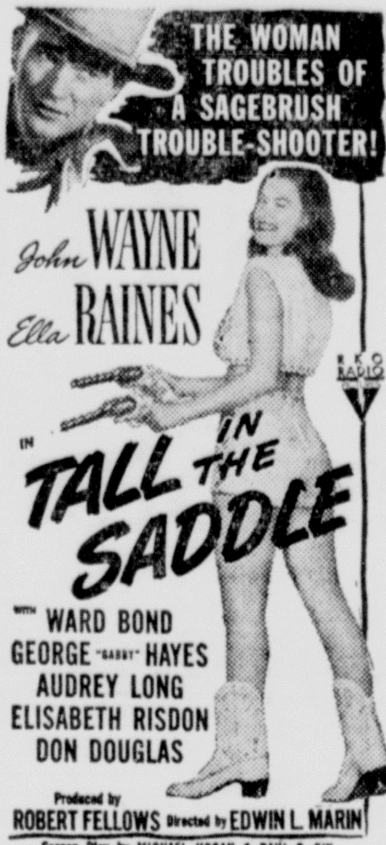

Temperature may drop 40 degrees by Sunday morning if the scheduled change occurs. Weather forecasters predicted that the low Sunday would vary from 12 to 20 degrees in northeast and in central Texas with 4 to 10 degrees in the western part of the state.

Low pressure areas off the borders of the state and high south winds had combined to bring in moisture and rain was likely to fall ahead of the cold air mass now moving in.

A new blizzard was rampaging down across the plains states east of the Rocky mountains. The first effects of the cold wave was due to be felt in extreme north Texas and in the Panhandle country sometime Saturday. Meanwhile the skies would be cloudy.

The cold wave may reach central Texas late Saturday night or early Sunday.

Warnings were issued to farmers and livestock owners in this area and

THE MILAM THEATRE  
FRIDAY AND SATURDAY  
February 18 and 19

this is taken to indicate the northern may be severe.

By Sunday morning a good part of the State will have sub-freezing weather, the Dallas forecaster said Friday.

Stockmen in both West Texas and the extreme northwest portion of East Texas were warned to take precautions.

The lows predicted for Sunday morning are 12 to 20 in extreme Northwest Texas, 4 to 12 in the Panhandle, and 12 to 18 in the south plains and upper Pecos Valley.

## January Telephone Damage Reaches Ten Million Dollars

way or another, they got to where they were needed, and they got the job done.

Reason No. 2—the teamwork that characterizes Bell System service.

Western Electric Company, supply unit of the Bell System, marshaled its nation-wide resources. From Western's warehouses or outside suppliers in 45 communities scattered through 21 states, the materials moved, at once.

A steady stream of poles, crossarms, drop wire, cable, insulators, steel strand, tie wire—all the things the storms had smashed—flowed into the iced area. At no time was work held up by lack of supplies.

Wire shipments during the month were more than was required by Southwestern Bell in all of the fourth quarter of 1948 for normal purposes. In addition to wire, thousands of poles, crossarms, and tons of pole-line hardware were moved by truck, by express, and by air into the storm areas.

### Equipment is standardized

In the Bell System telephone equipment is standardized. The parts that fit in Texas work equally well in Missouri, Oklahoma, Arkansas, Kansas, or anywhere else. Thus, even the construction gangs from the other companies found no equipment puzzles—and their own tools worked perfectly.

Bell System teamwork met the challenge of these storms. Most of the service has been restored. But permanent repairs, especially on toll lines, will take months to complete. For every wire damaged by the storm must be retied and "resagged" to meet Bell System standards before the job will be finished.

## Tyler Man Has Luck And Narrow Escape

AUSTIN, Feb. 12 — Henry March Bell, Jr., of Tyler was thanking his lucky stars today.

Austin police said Bell's automobile skidded almost 200 feet on an outlying city street, hit a ditch, overturned twice, flung him from the car—and left him uninjured.

Bell was examined and X-rayed at a local hospital, and physicians said he was only slightly shaken up. Police said his car was demolished.

Mr. and Mrs. Bill Dunham and son Douglas and Wallace Dunham of Bryan spent Sunday in Cameron with their sister, Miss Bessie Dunham.

Mrs. Jerusha Faulkner who is spending the winter with her nieces in Cameron is improving after being ill.

W. C. Fisher is spending a few days in Hanover this week.

## Mad Dog Killed On Heintz Farm Near Maysfield Sunday

A mad dog was killed on the Frank Heintz farm near Maysfield Sunday and the head sent to Austin by Dr. Tittsworth, Cameron veterinarian.

The dog was found to have rabies and a warning has been issued to school children and grownups in that community to be on the lookout for other dogs who may have been bitten by the dog killed Sunday.

Fred Heintz, son of Mr. and Mrs. Frank Heintz, shot the dog. Report of the incident was made to the Herald by Mrs. Heintz.

Mrs. Dave Angell and daughter, Mrs. Joe Robinson of Hanover visited in Cameron Monday of the past week.

Mrs. Bob Busker and daughter Carrol Ann of Lott spent Monday in Cameron visiting relatives.

## HUNGARIAN DIPLOMAT KICKED OUT CAPITAL

The United States today ordered the expulsion of a Hungarian diplomat, and charged that the Communist high command is driving to smash religious freedom all over Eastern Europe.

Simultaneously, Great Britain issued a separate but strikingly parallel denunciation of what was termed a "concerted assault" on churches in Eastern Europe.

The expulsion of John G. Florian, first secretary of the Hungarian legation, was in retaliation for the ejection of two American representatives from Hungary during the trial of Cardinal Mindszenty.

The State Department issued a statement striking out against the impending trial of 15 Protestant religious leaders in Bulgaria.

It said the similarity between the "fantastic accusations" made against them and those against Cardinal Mindszenty "strikingly emphasizes the concerted nature of the continuing Communist assault in religious liberties in Eastern Europe."

Geraldine Oxford of Route 1 Buckholts is a surgery patient in Newton Memorial Hospital and is doing well.

## Clock Faces Are Not Co-Operating These Days; Folks Bothered

When you meet John Q. on the street these days and he has deep furrows down his forehead, more than likely he's worrying about the town clock again.

Folks naturally worry here when the clock goes haywire. One fellow said: "Reminds me of people, those clock faces are just not co-operating these days."

One clock face says its 11 a. m. and the other says it's 7 a. m. Most people who depend on the big face up there are too poor to own a watch and something should be done about the town clock.

It's been a source of worry for years now, ever since they altered the face of the old building and made a helicopter field out of the roof. The frogs have been doing better since the showers.

The next big worry is the bench war coming up. The lawn don't have enough benches for the Supreme Court let alone the general public.

Mr. and Mrs. O. L. Baldridge are the proud parents of a son born at St. Edwards Hospital, February 2, 1949. The baby weighed six pounds and 15 ounces and has been named, Danny Eugene.

## Why not get all this in YOUR new car?

### Owners of low-built Hudsons have it!

Owners of New Hudsons are seeing for themselves that the lower a car can be built, the more graceful its lines can be made, the better it will ride, the more surely it will handle, and the safer it will be!

Because people who drive Hudsons "step down" into an exciting, new kind of automobile, they enjoy more head room and roomier seats—in an automobile only five feet from ground to top—than in any mass-produced car built today! Yet Hudson has ample road clearance!

But roominess is only one of the wonderful advantages that go with the automobile that is so far ahead it's a protected investment in motor car value.

Here are more:

Authentic beauty—the "step down" principle is so basically right it frees

designers of the need for makeshift styling, enables Hudson to achieve pleasing proportions, symmetric, free-flowing lines.

A hug-the-road ride, and a smooth, steady way of going, because Hudson has the lowest center of gravity in any American stock car!

Performance? You bet! Hudson's all-new, high-compression Super-Six engine—or the masterful Super-Eight, get every chance to perform at their brilliant best, because this car is so low-built, so streamlined!

A new measure of safety, because you ride completely encircled by the sturdy, box-section steel girders of Hudson's Monobilt body-and-frame.\*

We invite you to visit your nearby Hudson showroom, to see all the advantages you are entitled to in your new car!\*

### Come in, See Hudson's Great PLUS FEATURES

Automatic gear shifting in forward speeds with Hudson Drive-Master Transmission—shifts only when you want... your choice, Super-Six or Super-Eight engine... Triple-Safe Brakes finest hydraulic system with reserve mechanical system on same pedal... Weather-Control!—Hudson's heater-conditioned-air system... Super-Cushion Tires... Center-Point Steering... and more than 20 other important features on display at your neighborhood Hudson dealer's.

"Tall in the Saddle"  
Is De Luxe Western

Romance and adventure are stressed in RKO Radio's "Tall in the Saddle," starring John Wayne and Ella Raines in a thrilling story of the old, turbulent west, lavishly produced. This crack western film opens Friday at the Milam Theatre. Wayne has the role of a virile cowboy who becomes involved in a three-cornered romance while track-

ing down the murderer of his employer. Miss Raines is cast as the willful, fiery-tempered ranch heiress who starts out by hating Wayne and ends thoroughly tamed. Audrey Long plays her more sedate rival. In the strong supporting cast are George "Gabby" Hayes, Elizabeth Risdon, Ward Bond, Don Douglas, Russell Wade and Frank Puglia. "Tall in the Saddle" originally appeared as a serial in the Saturday Evening Post by Gordon Ray Young.

## Gladys Jewell Martin And Earl L. Wiggins Married In Cameron

Miss Gladys Jewell Martin, daughter of Mr. and Mrs. J. J. Martin of Cameron, and Earl L. Wiggins son of Mr. and Mrs. M. L. Wiggins of Van Alstyne, were married recently at the First Presbyterian church in Cameron.

Rev. C. Rogers McLane of Wharton performed the double ring ceremony before an altar decorated with baskets of white flowers and arrangements of candelabra.

Traditional wedding music was

played by Max C. McClaren and included, "I Love You Truly" "The Sweetest Story Ever Told", "Ira-muri" and "Indian Love Call". He accompanied Miss Shirley Horstmann, soloist who sang "O Promise Me" and "Because". She wore a gown of aqua net over taffeta and a corsage of white gardenias.

The bride wore a long white slipper satin gown made with a fitted bodice which buttoned to the full skirt and with long pointed sleeves. Her lace yoke matched the lace veil which was caught up into a band of forget-me-nots. She wore a strand of pearls, a gift of the bridegroom, and carried

a bouquet of carnations and gardenias with silver net and white satin streamers. For something old and borrowed, she carried a lace handkerchief belonging to her aunt.

Bridesmaids were Miss Jane McIntosh of Austin and Miss Lillie Mae Martin, sister of the bride, of Cameron. They wore blue satin dresses with pink wrist corsages and headbands. Mrs. Max C. McClaren, the matron of honor wore an American beauty satin dress with carnation corsage and headband.

The bridegroom was attended by Arch Tolbert of Austin, who was best man, and Billy Black and Billy Peck, ushers.

The bride's mother wore a gray crepe dress with matching hat and gloves, black shoes and bag, and a

white gardenia corsage.

The bridegroom's mother was dressed in a navy blue dress with black accessories and a gardenia corsage.

A reception was held following the ceremony at the home of the bride's parents. A three-tiered wedding cake topped with a miniature bride and groom was placed on the linen madra-covered table, which was centered with an arrangement of red and white carnations and ferns, and white candlesticks in white holders. Mrs. E. O. Harrell of Livingston presided at the punch bowl, and Miss Mary Gene McMurphy of Beatrice, Ala., served cake. Guests were registered by Miss Anna Lee Kirk.

The bride chose a steel-blue spring suit with a white lace blouse and navy blue accessories for the wedding trip to San Antonio. She also wore a white carnation corsage.

Mrs. Higgins is a graduate of Yoe High School, Cameron, and has attended the University of Texas at Austin.

The groom received his BA degree from Austin college at Sherman, and is now a senior student in the Austin Presbyterian Theological Seminary.

The couple will reside at Austin.

## Latricia Ann Marek Given Birthday Party In Temple Home

Miss Latricia Ann Marek was honored with a party celebrating her second birthday by her parents, Mr. and Mrs. Arnold Marek Sunday afternoon, February 13 at home in Temple.

A lace cloth covered the refreshment table on which was the heart shaped birthday cake iced in white and inscribed in red with "Happy Birthday" and on either end of the table were red candles in crystal holders.

A Valentine motif was carried out in the decorations of the house with large red hearts inscribed "Latricia Ann Feb. 13."

The refreshments of soda water, birthday cake and ice cream and plate favors of Valentine Suckers were served to the following guests: Judy Ferguson, Paul Jones, Charlotte and Barbara Galler, Suzanne Fourmigue, Bobbie and Joan Andrews, Patricia Mikeska, and the honoree.

## Mrs. Leo Fuchs Is Hostess to Leisure 42 Club Thursday

Mrs. Leo Fuchs was hostess to the "42" Leisure Club at her home Thursday evening. One guest, Mrs. Ted Kuehl was present.

Games of "42" were played with Mrs. Jim McGoldrick holding high, Mrs. Henry McLane second and Mrs. Leo Laake "84", consolation fell to Mrs. John Matyastik.

Table cuts went to Mesdames, P. L. Bergum, Henry McLane and Slama.

The charming hostess was assisted by Mrs. Laake, Mrs. Matyastik and Mrs. McGoldrick in serving Devils food cake, cheese Ritz, olives, potato chips and coffee.

## 42 Leisure Club Is Entertained With Valentine Party

Mrs. John Matyastik entertained the 42 Leisure club with a Valentine party at the El Tampico in Rosebud Thursday afternoon.

A Valentine motif was carried out in decorating the reception room.

Guests were Mrs. Charlie Swift and Mrs. Ted Kuehl. Games of 42 were enjoyed and Mrs. Henry Dakel won high, Mrs. E. C. Schiller second and Mrs. McLane 84 and Mrs. Swift low.

Table cuts fell to Mrs. Swift, Mrs. Henry Dakel and Mrs. V. E. Lesikar. The hostess served delicious cherry pie alamide and coffee.

## Valentine Party for Junior Church Class

Mrs. Berry Caldwell and Mrs. Bill Mahaney entertained at a Valentine party at the Caldwell home Saturday evening honoring the Junior class of the Battetown Baptist church.

The following were present for the party: Kenneth and Gloria Harber, Bobbie Elliott, Bobbie and John Dean Martin, Thelma Joyce Hayes, Billy Caldwell, Dora Betty Reese and their sister of Milano, James and Mary Alice Perry, Yvonne Gill, Robert Wayne Matthis, Wanda Kirk, Butch Malone, Peggy Malone, Leon Beale and Beulah Edmondson.

Mrs. Mahaney had charge of the games.

Mrs. Caldwell served dainty valentine shaped cookies, colored marshmallows with hot chocolate. At the close of the party they drew from the valentine box and each little guest received a Valentine.

Clyde Cummings visited in Temple Sunday and attended the BSU of Baylor University who presented it's choir in a program of gospel songs at the First Baptist church in Temple Sunday evening.

## Inflation? \$10,000 Note Was Just A Tip For Shanghai Waitress

So you are worried about inflation.

Well, you haven't seen anything.

Drop around sometime and talk to Delamon Hayes at the Model Cleaners and he will give you a quick summary of real inflation now playing havoc with the economy of China.

Delamon served in the United States Navy in the Pacific and for a time was stationed off Shanghai, China. Occasionally the boys would get leave.

"We tipped the waitress with \$10,000 notes and I once paid \$10,000 for a bottle of Coca Cola," he said. When we first landed in Shanghai it took \$175,000 in Chinese dollars to equal the value of one American dollar. That later rose to a ratio of \$180,000 to one, he said.

"I remember that I paid \$275,000 for a half fried chicken in a Shanghai cafe. The Chinese girl who waited on us and others carried a large platter some 4 feet wide. She had to, for when customers paid the currency had to be heaped upon the platter to be carted away. We just laid our money on the floor or any place we could find. Well, we got a kick out of it. That was one time we could mimic the rich guy in the movies. We lighted our cigarettes with \$500 notes.

A rick ride cost \$25,000. Mr. Hayes brought home quite a bundle of currency. He said that when the men from the ship got a \$5.00 bill changed they had to stuff all their pockets full and carry bundles like stove wood in the crook of the arm.

## Man Who Sold Life For \$100 Dies In Electric Chair

HUNTSVILLE, Feb. 13—Thurman Williams, who, for \$100, gave police the rifle which convicted him, died in the electric chair here early this morning.

On Oct. 28, 1947, Williams shot C. N. Herridge to death in Houston. Williams was trying to steal Herridge's automobile.

Shortly thereafter, police offered \$100 reward for the murder weapon. The rifle was traced to Williams and connected with the murder.

Last night, shortly before he was executed, he told prison chaplain B. C. Anderson that he murdered Herridge, the chaplain told reporters.

Williams went to the chair at 12:02 a. m. with a smile on his face. He told witnesses, "Well, I'm going to night. But I'm satisfied I'm saved (religiously speaking). I hold nothing against anyone".

He was pronounced dead at 12:13 a. m.

## WARM AIR DRIVES COLD AWAY FROM CAMERON

(From the Daily)

To those trusting disciples of weather bureaus who were told that a blizzard was on the way comes better tidings to-day as warm air continued to move in from the Gulf regions where temperatures reached 90 degrees Sunday.

Texas was cut in half by two extremes of weather. On a line with Cameron east and west it was warm. In Dallas 32 degrees prevailed for a short time Monday morning but the cold mass of air was receding and the expected blizzard would turn out to be quite tame.

There still was prospect for rain within the next 48 hours and all skies might be cloudy through Wednesday.

A light norther blew into Cameron around 8 p. m. and by 6 a. m. Monday was still blowing. Clouds overhead were racing north and by mid morning south winds were whipping up again. Cameron had around 75 degree weather Sunday.

## A & M Student Has Narrow Escape Here

Officers here Monday said that an A & M Student whose name is Ross had a very narrow escape Saturday night when his car was overturned while negotiating a dangerous curve in the highway near Skeezeix.

Sheriff Black said that Ross was on his way to Temple to visit his wife who is a patient in a hospital there. The accident occurred around midnight Saturday. Ross driving a 1949 Studebaker escaped injuries but his new car was badly damaged.

Mr. and Mrs. W. T. Busselle of Houston is visiting in the home of Mrs. Dora Hinton and daughters for the week end.

Mrs. J. L. Gross, Mrs. Carl Watterman and Mrs. Jack Holcomb all of Fort Worth spent a few days this week in the home of their father, Will Gjedde.

## BLIZZARD STOPS SHORT OF CENTRAL TEXAS

Cameron had mild temperatures Monday morning as atmosphere conditions dissipated the predicted cold spell for Central Texas.

There was still a possibility it might be cold by Tuesday but early morning forecasts indicated rising temperatures in the northern sections of the state where a severe ice storm was noted.

Elsewhere over north Texas and in the Panhandle the weather was different.

Potentially the most damaging ice storm in years was shaping up Sunday night in some parts of north Texas.

The state's weather picture also included a freak windstorm and dousing rain at Alvarado, near Fort Worth, and a freak heat wave at Laredo, which recorded 92 degrees Sunday.

And the Monday morning minimums are expected to approach the season's lows in west and north Texas.

Curtis Cook, managing editor of the Wichita Falls Record News, said the ice on wires and trees Sunday night was the heaviest he had seen

in the 17 years he had been there. And more freezing rain was falling.

Great trees were being torn out by their roots because of their heavy ice load.

However, very few power and telephone lines were down, since there was practically no wind to add to the strain. But, said Cook, if the wind should spring up, untold damage to lines could occur.

As matters stood Sunday night, telephone and power line crewmen were repairing lines about as rapidly as they broke.

Several other points reported freezing drizzle and rain Sunday night, while light snow fell in the Panhandle. Those reporting freezing rain and drizzle included Clarendon, Childress, Big Spring, and Abilene. Amarillo reported snow. Some snow fell with the freezing rain at Wichita Falls.

During January, two ice storms which brought severe damage occurred in north Texas, and communities hit were just recovering.

By 8 p. m., the cold front, which moved into the Panhandle Saturday night, had progressed below Waco.

Most of Texas reported rain and drizzle Sunday. At Alvarado, where the freak wind struck, an estimated five to six inches of rain fell and Fort Worth reported .90 inch.

## NEW 1949 DODGE WILL BE HERE FEBRUARY 25

Jerry B. Schiller and Milton J. Schiller, owners of Jerry Schiller Motor Co. have returned from Dallas where they attended a dealer preview of the completely new-styled Dodge cars, the first models of which will be publicly displayed in their dealership on Friday, February 25.

Mr. Schiller said that although detailed information of the appearance and many engineering and mechanical improvements introduced in the new Dodge could not be revealed prior to the public showing, there are certain general facts concerning the comfort-engineering story behind the new Dodge styling that can be disclosed at this time.

"The primary considerations that influenced the design of the new Dodge were Army statistics which showed that the G. I.'s of World War II were taller, bigger, and more active than their predecessors of World War I," Mr. Schiller said. "As a result, it was apparent that more passenger room, not less, was required

in the modern automobile to comfortably accommodate our physically larger generation."

Mr. Schiller pointed out that the challenge to Dodge engineers was to design a car with more interior space and still reduce exterior dimensions to eliminate difficulties of handling in traffic, parking, and garaging.

To learn how Dodge succeeded in meeting this challenge and at the same time produced a car with an entirely new and distinctive styling, Mr. Schiller cordially invites everybody to their gala open house on February 25.

## VICK SEES DEFAULTS IN LOSS AD VALOREM TAXES

AUSTIN, Feb. 10—An appropriation of \$618,000 to the Brazos River Conservation and Reclamation District was proposed Thursday by Senator Kyle Vick of Waco.

The appropriation is based on the "absence of any assurance" that the State Automatic Tax Board will find it unnecessary to levy a tax for general revenue purposes in 1949.

The district since 1935 has been receiving a part of the ad valorem tax levied by the State for general revenue purposes in the following counties, up to a maximum of \$309,000 per annum.

Austin, Brazos, Brazoria, Burleson, Fort Bend, Grimes, Milam, Robertson Waller and Washington.

The act of the 41st Legislature provided that this sum should go to the reclamation district for 10 years, beginning in 1935.

Vick said the district, "relying upon the efficacy of such allocation statute, issuer and sold bonds to obtain proceeds for constructing the first unit of the State's flood control and conservation program for the Brazos watershed. Outstanding bonds now total \$1,730,000.

Vick pointed out that adoption of an amendment to the constitution prohibiting after 1951 the levying of an ad valorem tax has precluded further effective extension of the tax grant to the district.

Asking for \$309,000 through Aug. 31, 1949, and a similar amount through Aug. 31, 1950, Vick said that a default by the district would have these effects:

One—Prevent the district from leasing and operating the Federal Government's Whitney Dam;

Two—Prevent the district from constructing four dams and reservoirs "which it is ready and otherwise able to do at this time;"

Three—That the forced inability to complete such facilities "will be a stunning blow to the general water conservation program in Texas on which the State's industrial and economic growth is dependent;"

Four—That the State will be losing money since after the agency retires its debts, pays operating expenses and completes the construction projects, all net profits will go to the State;

Five—That the district will be unable to "co-operate in and spark" the \$100 million improvement program in the watershed now under way by the U. S. Army;

Six—That many millions of dollars of taxable property have been placed on the tax rolls because of the stream control and water storage facilities

The jury not only selects the grand jury for the new term of court but sets up a jury panel.

## WASHINGTON IS GUESSING AS WAR LEADER REPORTS

Washington was buzzing Saturday over the sudden appearance of General Dwight D. Eisenhower in the Capital where he is to serve for a time as head of the government military staffs.

President Truman announced today that Gen. Dwight D. Eisenhower will serve temporarily as chairman of the joint chiefs of staff.

The White House gave no explanation. The brief oral announcement was made through Eben A. Ayers, assistant presidential press secretary.

Summoning reporters to his office, Ayers told them:

"The President announced today that arrangements have been completed whereby Gen. Dwight D. Eisenhower has been assigned temporarily as principal military advisor and consultant to the commander in chief (the President) and the secretary of defense (Forrestal).

"In this capacity, he will sit in the meetings of the joint chiefs of staff and act as presiding officer.

"Out of consideration for General Eisenhower's other commitments, it is planned that this arrangement will be of relatively short duration."

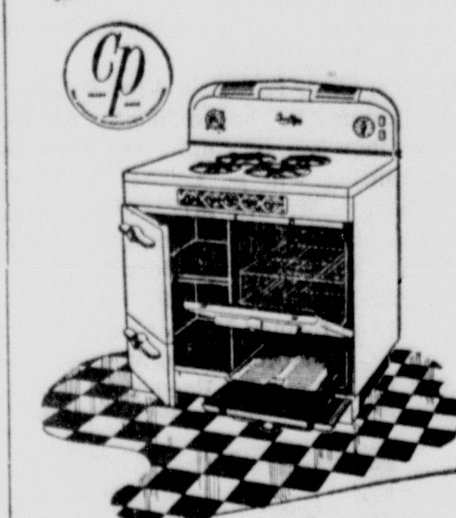

Ayers said he could answer no questions when asked why Eisenhower was being asked to preside over meetings of the joint chiefs of staff.

The former chief of staff and leader of American forces in Europe in World War Two is now on temporary leave from the presidency of Columbia university.

Mr. and Mrs. W. E. Kuehl spent Sunday in Marlin visiting in the home of Mrs. Kuehl's mother, Mrs. C. N. Dickens. They were accompanied to Marlin by Mrs. Erle Burke who visited her mother, Mrs. Cooley.

Mrs. A. C. Edmondson of Route 3, Cameron spent Monday in Cameron.

## T H D A CONVENTION OPENS HERE APRIL 19

Texas Home Demonstration Agents for the 10th District will hold their convention in Cameron on Tuesday and Wednesday, April 19 and 20.

According to L. G. Smith, manager of the Chamber of Commerce 90 to 100 women will be here for the convention, arriving on the afternoon of the 19th. The principal business session will be held on the 20th of April.

The Chamber of Commerce will play host to the convention and will arrange hotel and home accommodations for the visitors, Smith said.

Mrs. M. H. Wimberly, Chairman of the Milam County Chapter of the Texas Home Demonstration Agents, said the local chapter had been instrumental in getting the convention to meet in Cameron.

Mrs. T. J. Ludwick, Vice President of District 10, has officially notified the Chamber of Commerce that the convention will be held in Cameron.

Born to Mr. and Mrs. Jodie P. Taylor a seven pound daughter, Martha Karen at all Saints Hospital at Ft. Worth, February 10, 1949. Mrs. Taylor is the former Miss Juanita Boedeker of Cameron, daughter of Mr. and Mrs. Emil H. Boedeker.

## IMPROVED PASSENGER SERVICE OVER SANTA FE

GALVESTON, Texas, Feb. 10 — Improved passenger service between the Houston area and West Texas and the Pacific Coast will be offered by the Santa Fe Railway beginning February 20, A. C. Ater, passenger traffic manager, announced today.

The schedule is vastly superior to the present service according to Ater, and will cut more than seven hours between Houston and Los Angeles and more than 13 hours between Houston and San Francisco.

It will provide direct connections to Grand Canyon and connections to and from New Orleans.

Under the proposed schedule Train No. 66 will leave Houston at 6:50 p. m. instead of in the morning as at present providing our night service

### NEW TRAIN SCHEDULE

#### North Bound

No. 66 leaves Cameron at 10:37 P. M.  
No. 6 leaves Cameron at 2:01 A. M.  
No. 16 (Texas Chief) 11 a. m.

#### South Bound

Train 65 leaves Cameron 4:05 A. M.  
Train 5 leaves Cameron 3:13 A. M.  
Train No. 15 Texas Chief 3:59 P. M.  
Train 15 and 16 do not stop at Cameron, trains 65 and 66 stop at Cameron to pick up passengers for Brownwood and beyond and to discharge passengers from Brownwood and beyond.

to and from West Texas. It permits arrival in Los Angeles the second morning and Oakland and San Francisco that evening.

Eastbound Train No. 65 of the California-Texas service under the improved plan will arrive at Houston at 8:05 in the morning instead of in the evening as at present. Dining car and club lounge facilities will be provided as a feature of the new California-Texas service.

The new schedules will be expected through the use of Diesel power delivering and receiving connections to and from the Grand Canyon Limited at Clovis.

Ater pointed to many favorable features of the new arrangement including the highly desirable restoration of overnight sleeping car service between Houston, San Angelo, and the West Texas area connections to and from the Rio Grande Valley. The San Angelo car will be a ten section lounge car.

These new schedules offer improved overnight accommodations for travelers to and from View and Abilene and neighboring oil territories to and from Los Angeles, San Francisco, and Houston.

**CHEVROLET**  
is the most Beautiful BUY of all

### The most Beautiful BUY for Styling

Millions of people all across America—and undoubtedly your friends and neighbors, too—are hailing the "luxury look" of Chevrolet for '49. It's the beauty-leader, all right—inside, outside, and from every point of view! For the bodies are by Fisher—finest of all car bodies—found only on Chevrolet and higher-priced cars.

### The most Beautiful BUY for Comfort

You'll enjoy a new and finer kind of comfort in this car. The perfectly relaxed comfort of "Five-Foot Seats" plus extra-generous head, leg and elbowroom. Moreover, it's a "car that breathes" for an advanced heating\* and ventilating system inhales outside air and exhales stale air.

\* (Heater and defroster units optional at extra cost.)

### The most Beautiful BUY for Driving and Riding Ease—with new Center-Point Design

What a thrilling experience will be yours when you take your first ride in Chevrolet for '49! New Center-Point Design—including Center-Point Steering, Center-Point Seating, Lower Center of Gravity and Center-Point Rear Suspension—provides driving and riding results heretofore available only to owners of more costly cars. Here is another "first" for Chevrolet—another vital contribution to low-cost motoring—another treat for Chevrolet owners! Remember—only new Center-Point Design can give these finer motoring results; and only the new Chevrolet offers Center-Point Design at lowest cost.

### The most Beautiful BUY for Performance

For real thrills and thrift—for the finest balance of performance and economy—owner after owner will tell you there's nothing like a Chevrolet! Its world's champion Valve-in-Head engine—now setting a trend for high-priced cars, but remaining exclusive to Chevrolet in its field—holds all records for miles served, owners satisfied, and years tested and proved.

### The most Beautiful BUY for Safety

To buy one of these brilliant new Chevrolets for '49 is to give your family fivefold safety protection found in no other low-priced car: (1) New Certi-Safe Hydraulic Brakes; (2) Extra-Strong Fisher Unisteel Body Construction; (3) New Panoramic Visibility; (4) Safety Plate Glass in windshield and all windows, and (5) the super-steady, super-safe Unitized Knee-Action Ride.

## GOVERNMENT MOVES TO FIND SLUMP CAUSES

Widely fluctuating grains rallied today from yesterday's big slump and the Government ordered a complete investigation of the market on the Chicago Board of Trade.

A hectic day on the price front saw these developments:

1. The falling grain market sent May wheat below \$2 for the first time in two years, but then rallied under Government assurances of buying for foreign markets.

2. The wholesale price index on basic foods for last week plunged 22 cents to the lowest level since Oct. 8, 1946, when price controls still were in effect.

3. Hog prices plunged to some of the lowest levels since OPA, but cattle moved upward slightly.

4. Many other commodities, taking their cue from the grains, recovered on the New York market.

The Government announced its investigation after all grain futures fell the permissible limits for a day's trading at Chicago and other markets yesterday, and gyrated excitedly today.

Agriculture Secretary Charles F. Brannan directed the Commodity Exchange Authority to uncover the amount of "speculation" on the Chicago market. He asked "full information" on all trading in wheat, corn and soy beans for both days.

## War Trophies Now Available; Various Organizations Eligible

War Trophies, consisting in large part of captured materials from Germany and Japan, as well as some allied equipment are now offered to organizations.

Judge Dan Tyson received a letter Friday from Major General K. L. Berry who has been directed by Governor Jester to make this information available.

Public museums and public educational institutions, cities and towns, veterans organization can get these trophies.

Judge Tyson is very anxious to call this matter to the attention of all such organizations.

The list is long: There are bayonets, knives, swords and daggers, German, Japanese and Allied; there are rifles, carbines and shotguns, German, Japanese and Allied; Machine and sub-machine guns, German, Japanese and Allied; Binoculars and field glasses; Japanese mortars; Jap tanks and Artillery.

The long list included two 155 Howitzers on carriage and weighing 10,000 pounds.

Organizations who wish to get some of these trophies should contact Judge Tyson for complete information.

## 16 Milano Homemakers Complete Work For Degrees Thursday

Sixteen Milano Future Homemakers completed their requirements for the Junior Homemakers degree at their regular meeting, Thursday, January 20.

There are ten requirements for the degree set up by the National F. H. A. organization. Requirements for the degree deal with knowledge of the F. H. A. organization, self and home improvements, and improvement in relations with others.

Milano F. H. A. chapter will have a special program in order to officially award the degrees to the members as soon as the symbol for the degree is received.

Girls completing the requirements are: Betty Morgan, Dolores Blackmon, Geneva Hurt, Bobbie Haddox, Johnnie Perdue, Anna Jean Baggett, Nellie Jean Kirk, Wanda Williams, Barbara Hartley, Earlene Pratt, Jo Ella Magee, Clois O'Neal, Bennie Pinkerton, Dalpha Nell Hurt and Evelyn Yakesh.

Others present for the meeting were: Jo Ann Beavers, Faye and Kaye Gilliland, Maribeth Fisher, Iona Owens, Lillie Jo Hux, Dorothy Posival, Zeta Woods, Louise Wall, Jeanette Hairgrove, Mrs. W. T. Whatley, the sponsor, and Mrs. Gertrude Pruett a chapter mother.

## Benefit 42 Party For March of Dimes San Gabriel Saturday Night

A community 42 party for the benefit of the March of Dimes Fund will be held Saturday night, February 12 in the gymnasium of the San Gabriel High School.

The Daily Herald is requested by Mrs. F. H. Pearce to announce this entertainment so that the people of Cameron and vicinity may know of this party for many will want to attend.

The people at San Gabriel plan to make this party a big event and through it realize a nice sum for the Infantile Paralysis Foundation.

## 35 MILLION CEILING SOON TO BE LIFTED

Action was pending Wednesday in Austin on submission of constitutional amendment to remove the 35 million ceiling on old age pensions.

There are three proposals pending and it is certain that the question will be submitted. The legislators are now ready to admit what most of us knew at the time; that it was foolish to impose a ceiling when so many were being added to the rolls.

In the first hearing Tuesday it was revealing that 2,551 more have been added this month. There are now 212,076 on the roll.

Old people will get less money unless the ceiling is removed. Local people who are pensioned will be glad to know of this progress.

If there were no despicable tightwads, where would us good fellows borrow money?

## Hay Suits End Here By Agreement; \$1500 Paid to Plaintiffs

Two suits here involving destruction by live stock of hay crops on the H. H. Coffield farms and the Backhaus farms near San Gabriel were settled by agreement after the court declined to transfer the cases elsewhere.

W. A. Rozanky and B. E. French were defendants in the cases and in the settlement of the suits Coffield received \$1000 and Backhaus received \$500.

The land owners charged that livestock was turned loose on their farms and hay to the value of some \$15,000 was destroyed.

Mrs. Charles A. Angle and son and daughter are expected in Cameron this week from Chicago for a visit with her parents, Mr. and Mrs. Jess Weathers and other relatives.

Correne Massey, daughter of Mr. and Mrs. C. H. Massey of Maysfield underwent an operation at Newton Memorial Hospital Saturday and is reported to be improving.

## Gold Medal Award FASHION ACADEMY OF NEW YORK SELECTS

## The '49 Ford AS THE "FASHION CAR OF THE YEAR"

Citation "The 1949 Ford embodies all the essential qualities of good taste, modern design and subtle harmony in line and color. It is indeed a

compliment to the style-conscious woman who will recognize and appreciate the flattering background it provides for her best dressed appearance."

*Paul H. Johnston*  
President, The Fashion Academy of New York

*And "looks" are only half the story!*

The Fashion Academy of New York has been noted for the past 20 years for its annual selection of "America's best dressed women." The '49 Ford was chosen to receive the Fashion Academy Gold Medal after 1949 automobile models of all makes and in all price classes had been carefully studied from the standpoint of excellence in design, simplicity and feminine style appeal. This recognition of Ford leadership in the modern trend of automobile design stands as a unique tribute to the work of Ford's Styling Department and of Design Consultant George Walker of Detroit.

## GREEN MOTOR COMPANY RATES SERVICE AWARDS

Green Motor Company received official recognition February 10 for advancing automotive maintenance knowledge of its service personnel under the Chrysler Corporation Master Technicians' Service plan.

The plan uses modern instructional methods to teach mechanics in dealerships the fundamentals of engineering principles. Under it, each dealership operates a factory-designed school for mechanics, using slide films and other visual aids to demonstrate proper service methods.

Green Motor Company was awarded a plaque from the Chrysler-Plymouth home offices certifying that two members of its service department have completed a year of participation in the school conducted here as part of the plan.

Each course, prepared by factory experts, is designed along the lines of the "tell, show, and do" presentation of a basic service problem. Instructional materials supplied by Chrysler Corporation include sound slide films, large blow-up charts, handbooks and lesson plans.

Although all instructional material was supplied through Chrysler Corporation, Green Motor Company converted his building into a school when classes were scheduled and James Cryer assumed the role of instructor. The firm is among the first automobile dealers to use these advanced methods.

Members of the service department who have completed the first year of the course are: James Cryer and Alfred Glaser.

The program has been installed in Chrysler Corporation dealerships throughout the country, and involves over 50,000 mechanics. It has a two-fold purpose, according to W. A. Hilman, director of service for the corporation's Chrysler division.

"We are keenly interested in helping dealers provide the best possible mechanical services for their customers," Hilman said. "And we are most certainly interested in assisting with the development for young men who are mechanically inclined. If our program can start young mechanics on the right track in addition to helping established mechanics to better themselves, we will feel that we are making a beneficial contribution toward serving the motoring public."
